

ACTIVITY REPORT

JANUARY 2022 - PRESENT

PASSPORT TO EARNING

An initiative designed to equip India's young people with essential 21st-century skills, preparing them for success in education, employment, and life. In collaboration with the B-Able Foundation, our **Passport to Earning (P2E) India initiative offers free, job-relevant skills training to individuals aged 14-29**. The program provides a dynamic online platform that equips participants with the skills necessary for future job opportunities and entrepreneurial ventures.

Aligned with the **National Education Policy 2020 (NEP)**, P2E offers a wide range of curated e-learning courses accessible to schools nationwide. These courses include Life Skills, Digital Literacy, Financial Literacy, Employability, and Leadership, and are available in both Hindi and English. Students can participate in these programs from home or within their institutions' computer labs and **receive certification from the United Nations, UNICEF, and P2E partners, including Microsoft, Accenture, and Capgemini**.

DTH TRAINING PROGRAM

Tata Play, as a part of its **CSR initiative 'Kaushal'** , designed this program , aimed at individuals who drop out of school between the 10th and 12th grades and are seeking employment opportunities. **It provides training in servicing Tata Digital technologies**. Upon completion, participants are assessed and offered job opportunities based on their skills and capabilities. This initiative not only teaches crucial technical skills but also enhances job readiness, boosting participants' employability in the **digital services sector**.

ENTREPRENEURSHIP DEVELOPMENT PROGRAM (EDP)

A CSR initiative of **Jubilant Bharti Foundation**, aimed at equipping individuals aged 16-30 with entrepreneurial skills via a free certification course. This program covers essential topics such as **business management, marketing, finance, digital skills, and legal frameworks**. Participants engage in innovative thinking and problem-solving through hands-on projects and mentorship. The free program fosters entrepreneurship, promoting economic growth and job creation, and provides young individuals with the practical tools and knowledge to transform their business ideas into successful ventures.

LINKEDIN CAREER KICKSTARTER

LinkedIn, in partnership with Aspire for Her and Team Triguna, launched an online training program for youth to help them create impactful LinkedIn profiles and unlock the platform's full potential. **This initiative is designed to provide young individuals with the essential skills and insights to effectively leverage LinkedIn for both personal and professional development.** Through detailed tutorials and hands-on guidance, participants learn to craft profiles that effectively showcase their unique skills, experiences, and aspirations. The training also delves into the intricacies of networking, job hunting, and brand building on LinkedIn, enabling youth to tap into the platform's extensive resources for career growth. By clarifying the features and benefits of LinkedIn, this program aims to **equip youth with the confidence and competence needed to navigate the digital landscape and succeed in today's competitive professional environment.**

NAZAR UTSAV (EYE CAMP)

An eye care camp was organized by Team Triguna, at the **Earth Savior Foundation's shelter home**, in collaboration with **CLIO Eye Care Gurugram**. This initiative successfully delivered essential eye care services to individuals with mental disabilities, psychiatric conditions, and senior citizens residing at the shelter home. The camp exemplified our commitment to positively impacting lives and supporting our mission. We conducted a total of 291 eye examinations and screenings, offered counseling support, and provided necessary medication. Additionally, 60 patients received prescription glasses and were provided with the required spectacles.

Workshop on Environment Day

Team Triguna orchestrated an Environment Day plantation drive, engaging local farmers in planting tree saplings and discussing sustainable practices. The session covered topics like organic farming, water preservation, and eco-conscious methods, heightening awareness and fostering community involvement. This initiative empowered farmers and left a lasting impact on both the environment and participants.

Workshop on Yoga Day

9TH INTERNATIONAL Yoga day

TRIGUNA CONDUCTED A VIRTUAL WORKSHOP ON FUNDAMENTALS OF YOGA LED BY MS. NITI TOMAR

In celebration of the 9th International Yoga Day, a dynamic session was held to introduce attendees to the core principles and practices of yoga. Participants learned fundamental concepts, various asanas, and breathing techniques aimed at promoting physical and mental well-being. The event inspired attendees to integrate these practices into their daily routines for enhanced health and inner balance.
